

## **CELL BINGO**

Please fill out the bingo cards with the words below. Use any 9 words from the list. Write them randomly on your 3 x 3 bingo cards (see next page).

When the teacher calls out a statement, which is the match to your card, cross out your word and put the number of the question in the cell.

- a. cell wall
- b. vacuole
- c. cytoplasm
- d. plasma membrane
- e. chloroplast
- f. nucleus
- g. chromatin
- h. mitochondria
- i. golgi body
- j. endoplasmic reticulum
- k. ribosomes
- l. flagella
- m. nucleolus
- n. centrioles
- o. nuclear envelope
